HULL IONIANS RUFC

Hull Ionians RUFC was formed in 1989 by the merger of Hull and East Riding with Ionians.

Hull Ionians RUFC play their league rugby in National 2 North. 2009/10 was celebrated as the 20th anniversary of the formation of the club. Their home is Brantingham Park that opened in September of 1995 and has since established itself as one of the leading venues for business and social functions in the area.

We present some exciting opportunities for sponsorship within the club which goes a long way towards Rugby development at Brantingham Park and helps to promote the sport of rugby union in the community.
